

Which school should my child attend?

What should I learn next?

Are there scholarships available?

What enrichment activities will realise my child's potential?

How can I further develop my professional skills?

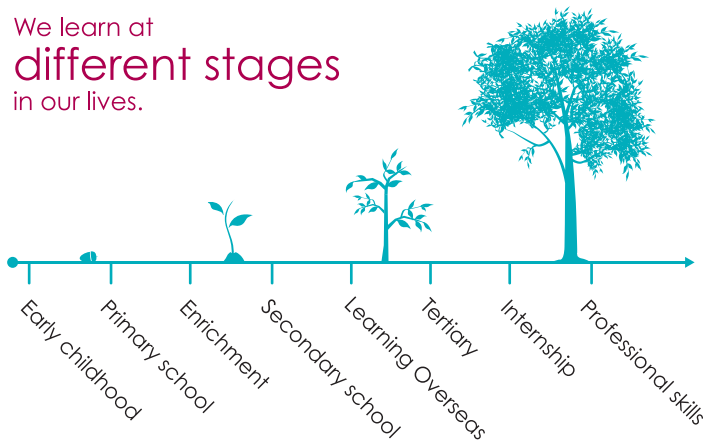

Where can you find the best learning resources to answer all these questions?

We have different strengths and smarts

We learn at different stages in our lives.

Unleash your potential today with actualyse.com

Solutions to Your Learning Needs

actually.com is an **education and learning resource website** for life-long learning. Featuring a comprehensive directory of **schools, educators, professional trainers** and **learning support specialists**, find the best resources to unleash your child's or your potential.

1 Find The Right School

Wide Selection:

Choose from a wide-range of schools, from pre-schools to enrichment classes to professional development courses.

Efficient System:

Search, select and compare schools based on location, review ratings, fees, teacher-student ratio etc.

Peer-reviews:

Insightful information at your fingertips as listings are rated and reviewed by parents and students.

Ask The Expert:

For added convenience, connect directly with educators and schools on the website.

2 Join The Community

Online Resource Library – Catalyst

Find the latest information and news on learning and development on our online resource library. Catalyst is refreshed with new and original articles, videos and interviews every fortnight.

Forum

Exchange views and gain insights from other members of **actually.com** on our Forum page.

Buzz!

Share your thoughts and experiences by participating in our regular Buzz! campaigns.

3 Get Support For Your Needs

Learning Support Specialists

Tap on our directory to find expert help from Allied Health Professionals to diagnose and treat developmental issues to resume effective learning.

4 Step Up Your Learning With New Opportunities

Search for scholarships & awards

Identify suitable awards, grants and scholarships to further your learning.

Search for internships

Extend your learning outside the classroom with the latest internship opportunities available.

Obtain expert help on studying abroad

Seek help from our directory of overseas study consultants to make learning abroad a smooth sailing process for you.

5 Step Up Your Learning With New Opportunities

Buy from the Marketplace

Need a 2nd hand piano, or a fresh supply of canvas boards for your painting? You can find products and services to support your learning here!
